

# Welcome to Phius!

**We're glad you're here.** We've compiled some of the most important resources you will need as you embark upon your journey as a Phius Professional. Enjoy!

## Phius Certification Guidebook

- The Phius Certification Guidebook is a comprehensive collection of information relating to the Phius project certification program. It is your go-to resource during the certification process.
- You can [access the Phius Certification Guidebook](#) on the Phius website as a PDF document.

## Phius Portal

- Log in to the [Phius Portal](#) to see CEU totals, submit projects, register for Phius events, and update your Phius Certified Professional website listing.

## Webinars

- Phius Webinars help keep you up to date in the world of passive building by covering a range of relevant topics and featuring experts in various sectors of the field.
- All Phius Alliance members receive full access to our webinars, which are available online at [www.Phius.org/webinars](http://www.Phius.org/webinars) or in the [Phius Resource Library](#) under the "Webinar" filter.

## Calculators & Tools

- Explore some of the many [calculators and tools](#) available to Phius Alliance members hosted on the Phius website, or browse the complete list in the [Phius Resource Library](#) under the "Calculator/Tool" filter.

## Training Courses & Workshops

- Phius provides numerous training courses including WUFI® Passive workshops, Phius Project Certification courses, and much more to help you keep your skills sharp. You can visit [www.phius.org/trainings](http://www.phius.org/trainings) to view all of our available training courses and workshops.

## Obtaining & Logging your CEUs

- **What are CEUs and how do I get them?** Continuing Education Units (CEUs) are one way that a Phius certified professional can maintain their credentials. You can earn CEUs and extend your credentials' expiration dates for an additional three years by completing additional training or continuing education courses. To find webinars and courses that offer CEU credits, browse the [Resource Library](#) and use the "CEU Credits" filters on the left-hand side of the page to find content that fits your needs.
- **Where do I log my CEUs?** You can [self-report your CEUs](#) using this form. Not sure how many CEUs you need and the deadline to earn them? Check out the [Maintain Credentials](#) page on our website.

**Any questions? The best way to reach us is via the ["Contact Us"](#) form on the Phius website.**
